Wren Healthcare Mobile Travel Certification Clinic Instructions

- Please make sure that you arrive to your appointment **ON TIME. (no earlier than 5 minutes)**
- Please ensure you are wearing a face mask before entering the clinic room.
- PLEASE NOTE - you will not be seen earlier or later than your allocated appointment time.

OUR MOBILE TESTING UNIT IS LOCATED IN THE OVERFLOW VISITOR CAR PARK AT THE HILTON COBHAM. PLEASE FOLLOW SIGNS AS YOU ARRIVE.

- Please complete our **PRE-TESTING QUESTIONS, CONSENT FORM & SPECIMEN REQUEST FORM** and bring this along to your appointment.
- Please also bring your **PASSPORT**. We will not be able to do you test if you do not have your passport with you.

Pre-testing Questions

COVID-19 PCR Test

Please answer the following questions

Have you or anyone in your household in the last 14 days had a fever/temperature?

Yes No

Have you or anyone in your household in the last 14 days developed a new or continuous cough?

Yes No

Have you or anyone in your household in the last 14 days developed any changes in your breathing?

Yes No

Have you or anyone in your household in the last 14 days lost or had any changes in your sense of smell or taste?

Yes No

Have you or anyone in your household in the last 14 days tested positive for COVID-19?

Yes No

Turnaround times for results:

All samples are received by the lab on the same day of your appointment usually around 6.30PM. It's from this point that the turnaround times come into play. If you have booked a 24-hour turnaround you should expect your results by 6.30PM the next day or 2 days after before 6.30PM for our 48 hour service. For our same day service you will receive your results before midnight on the same day of your test.

Please email results@wrenhealthcare.co.uk for any queries relating to your results

The customer understands that:

- Results will be accessible to Public Health England via our UKAS registered partner laboratory. Public Health England exists to protect and improve the nation's health and wellbeing, and reduce health inequalities
- The Primerdesign Ltd Coronavirus (COVID-19) genesig® Real-Time PCR assay (Cat-Z-Path-COVID-19-CE) ISARS-CoV-2, is developed as a diagnostic test for SARS-CoV-2 detection
- Wren Healthcare will ensure our partner laboratory will process sample(s) within agreed time limits - Results will be given as either 'COVID-19 Positive', 'COVID-19 Negative' or 'Result Invalid'. Results will be sent via secure safe drop box to agreed email address in a laboratory certificate format
- Wren Healthcare will ensure clinical team are available Mon – Fri 0900 -1700 & Sat 0900 - 1300 to discuss results where required
- Where positive results are detected Wren Healthcare will you and our partner laboratory will notify Public Health England.
- Customer understands if they test positive they must follow government test and trace guidelines available at <https://www.gov.uk/government/news/government-launches-nhs-test-and-trace-service>
- Customer has completed COVID-19 symptom check and remains symptomless over last 14 days – NOTE THIS TEST IS NOT TO BE COMPLETED FOR SYMPTOMATIC PATIENTS
- The Novacyt Primerdesign Coronavirus (COVID-19) genesig® Real-Time PCR assay has been assessed by PHE and the true specificity of the test is at least 98.1%.
- Results are accurate to the date of testing, test results do not mean the person being tested after this date has immunity or active infection thereafter.
- Customer understands Wren Healthcare's turnaround times for results

Tick this box if you consent to us sharing your anonymised sample with other labs for COVID-19 research (please note: All your identifying details will be removed and only your age and sex will remain on the sample prior to sharing)

A copy of this form will be provided to Wren Healthcare. Wren Healthcare will use the data contained in the form and treatment report for the purposes of improving its services, for medical audits and (in an anonymised form) for research and analysis.
